

48TH & 47TH STREETS TRAFFIC SAFETY & COMPLETE STREETS PROJECT

ZERO TRAFFIC DEATHS BY 2030

FALL 2023

TELL US WHAT YOU THINK AT UPCOMING OPEN HOUSE MEETINGS

Join CM Gauthier's Office, Streets Department, and OTIS staff to discuss traffic safety issues and options for 48th & 47th Streets in detail.

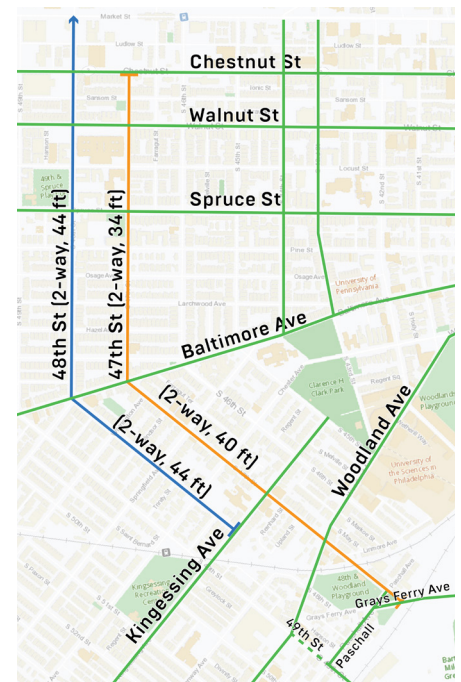

Monday 9/18, 6 - 7:30 PM

48th & Woodland Playground
1414 S. 47th Street (at Paschall)

-OR-

Wednesday 9/27, 6 - 7:30PM

Calvary United Methodist Church
801 S. 48th Street (at Baltimore)

WHERE ON 48TH & 47TH STREETS ARE WE TALKING ABOUT?

48th St between Market St and Kingsessing Ave &
47th St between Paschall Ave and Chestnut St

WHAT ARE THE GOALS OF THE PROJECT?

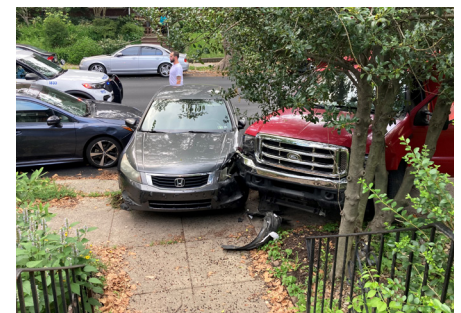

- Find out which traffic safety issues are important to the community and where issues occur along 47th & 48th Streets
- Improve safety for vulnerable users on both streets
- Add traffic calming elements to encourage safe driving
- Improve and connect the High Quality Bicycle Network through West Philadelphia with a new north-south corridor
- Maintain driver access to residences and businesses

WHY NOW?

The repaving of 48th St is an opportunity to change the layout of the streets and improve traffic safety for all users. Before any changes are made, City staff needs your input.

HOW CAN I LEARN MORE?

Come to either of the open house meetings! We will share traffic calming ideas and gather feedback. If you have questions, please reach out to otis@phila.gov or call (215)436-9886.

Crash on 48th Street, August 2023

Between 2018 and 2022, **298** crashes were reported on 48th & 47th; **56** people were seriously injured and **1** person was killed. **46** of those crashes involved people walking and **18** involved people biking.
